

Officers: First Row: Mueller, Howard, Steinborn, Gubey; Second Row: Fennell, Ryan, Brady, Kilham.

CAMPUS STATION WNTC

Under the direction of Gene Mueller, Campus Station WNTC has continued its fine work during the past year.

In spite of the numerous difficulties encountered, the new studio has been established next to the Crane House, the entire construction hav-

ing been done by Clarkson and P.S.E.E. students.

The station offers opportunity to the students of both colleges, since both engineering skill and entertaining ability are essential for the production of better and more beneficial programs.

Nella Haskin's Day Dance sponsored by Station WNTC.
